

Annual Report

ADELAIDE MEDICAL STUDENTS' FOUNDATION

The Adelaide Medical Students' Foundation (AMSF or the Foundation) is an independent charity governed by current Adelaide Medical Students and graduates. It exists solely to serve and support Adelaide Medical Students.

In the formative years since its creation in 2009, much focus has been on establishing administrative and marketing systems. In 2012, it has expanded its relationships with Adelaide graduates; holding an inaugural event attended by 180 graduates, students and well wishers; assisting with graduate reunions, and generating close to \$5000 in tax-deductible donations.

Treasury

The AMSF has grown its assets by 12.5% over the 2011-12 financial year. This growth was attributed to returns on investments, our inaugural event, the annual AMSS contribution and donations. We take this opportunity to thank all those involved in the continued growth of the Foundation.

AMSF Gala Dinner

On Friday September 7th, the AMSF took over 180 past and current Adelaide medical students 'Back to Medical School'. The Foundation's inaugural event featured a beautiful 3-course dinner at the National Wine Centre. Guests were entertained by performances from the cast of MedRevue and the Adelaide University Medical Orchestra. The night also featured speeches from former graduates Drs Peter Cundy and Hugh Kildea and AMSF Travel Scholarship recipient, Ms Stefanie Chan. Graduates and current students alike then partook in a silent auction and exciting live auction conducted by Mr Troy Tyndall (Toop & Toop Real Estate). The event raised over \$7000 to be put towards student initiatives.

Graduate Reunion Tours

Class of 1967 at their 45-year reunion celebrations.

This year, representatives of the AMSF have been taking graduates on tours of the Medical School as part of their Medical School reunions. This has been a great opportunity for students and graduates to meet and compare their times at Medical School. One group of reunion goers declared that it was "the absolute highlight of their reunion celebrations!" It has been our pleasure to be involved in the following reunions. Please visit our website for more information about how the Foundation can help with your upcoming reunion.
